Shown below is the normal menu available throughout the week at Millers. In addition, there are daily specials shown on the chalkboard inside the premises. Clients wishing to book the room for a private function can discuss any special requirements with Elaine at the time of booking. Although the premises are not licensed to sell any alcoholic beverages, you are permitted to bring along your own wine for special occasions (a small 'corkage' fee is charged). All meals are freshly cooked to order, so on occasion there may be a slight delay - we thank you for your patience and understanding. We regret that we cannot guarantee that our food products are nut free - some of our dishes contain nuts and other dishes may contain nuts or nut traces. Please ask if you are unsure of any of the items on this menu.
